

The 2008 Scottish Sprint and Hill Climb Championship Dinner Dance, & Presentation of Awards for the Guyson Scottish Sprint Championship, the Guyson Scottish Hill Climb Championship and the Scottish Speed Championship

29th November 2008

Ticket price is held at £28 per head, with B&B available at the hotel, at a negotiated rate of £45 per person based on two sharing (NB: single occupancy is £58) for the Saturday – and Friday night if you want to make a weekend of it).

Help celebrate the end of the 2008 season at quite simply the biggest social event of our year. We have Kutting Edge back again and the raffle promises to be a big one, with many of the championship participating clubs providing valuable prizes in the form of entries for 2009! Come along and enjoy good company, great food, and then dance the night away 'til the wee small hours! All welcome even if you've not competed this year or are not registered for the Championships!!

We have a block booking at the Atholl Palace (Reference 291108HC), but you must reserve your accommodation directly with the hotel, so telephone 01796 472400, make sure you tell them you are booking for the Sprint Championship Dinner Dance, under the above booking reference or book online at the hotel website <http://www.athollpalace.co.uk/>

*For tickets, please complete the tear-off strip below, and please – I know we say it EVERY year, but **remember to include a stamped, addressed envelope for the tickets to be sent back to you!** How else will you know I've got your cheque and you've got a place?!*

The last date for tickets will be 19th November, as the Hotel have asked that final numbers are confirmed in advance. However, we are expecting the 2008 'do' to be a popular one - the event is limited to a maximum of 150 for everyone's comfort so don't delay - First come first served!
